Priestly ponderings ...

Do you like reading? I love reading, novels of all sorts, biographies and autobiographies, anything I can lay my hands on. It's great when you get a real 'page turner' isn't it? I have read avidly since I was a child and always felt it was my place of escape.

We have been studying the bible as part of our preparation training for Authorised Lay Ministers. It is an interesting exploration because we come to this book from many different places and with many different views. Even as priests we hold different views about it. How, where, and why was it written? Can we confirm the truth in it? Where does its authority lay? How can we understand these stories today in our context?

You know how much I love songs and singing, I was reminded of that by a children's hymn.

**'Tell me the stories of Jesus, I love to hear.
Things I would ask him to tell me if he were here.
Scenes by the wayside, tales of the sea
Stories of Jesus tell them to me.'**

I love reading the Bible it's a real 'page turner' too. You only have to dip into the book of Ruth or Job in the Old Testament or read the New Testament books Matthew, Mark, Luke and John. The stories are about real-life events, people and places of that time. As for the stories in Acts, or St Paul's letter his new churches in Phillipi, Rome or Ephesus they too are all great page turners!

You might think I am joking when I say, 'have a read of the bible.' It is so easy today, you can just log into Google and put in 'The Bible' and you will be able to see one or download it to your phone or tablet and you can find a Bible in your local church.

Jesus told stories in the New Testament using illustrations that local people would recognise well. Stories about shepherds, stories about gardeners, farmers, sowers of seed. He used them to emphasise his point and to make it easy for people to understand what he meant. Jesus challenged his society he supported people who were considered outcasts and underdogs. He wanted the people who followed him to see how they too could be loving

and kind to others and he demonstrated this by his behaviour in every conceivable way.

Many people are good at sharing love and generosity, all the time, not just at special times of the year. Easter was an opportunity for renewing our faith if we have it. Or looking to find out what faith might mean to us if we are seeking new ways of living our lives. In a time when money and influence play such an important part in our lives, it challenges us to think differently. We all try to balance our family needs against those of other people in our society and across the world who have so much less than we have.

As we move forward into the warmer months of May and June, I encourage you to get involved in your local communities. Be the person who starts that local coffee time, or even a book group or quiz group. Look for ways to support people you may know who need that support. You will find many summer events on our 'What's on this summer' Page. I do hope you will find time to come and join in the events. It's a real opportunity to meet new people and to support your local community.

Every blessing to you and yours for the oncoming summer.

ANNUAL MEETING WITH PARISHIONERS

MONDAY 22 MAY – 7PM. DONINGTON ON BAIN VILLAGE HALL

The Annual meeting with Parishioners will take place on Monday 22 May at 7pm at Donington on Bain Village Hall. This is your opportunity to see what has been going on in your Parish and to have an input into future expenditure. So come along and take part in the meeting. Your opinions matter!!! Speeding in the village will be a focus of the meeting.

YOUR PARISH NEEDS YOU !

The Parish council has been looking at ways to address speeding in the village. It is proposed to purchase a speed detector gun. A number of residents have already volunteered to join a team of volunteers to organise and run the project. Further volunteers are requested.

PROPOSALS TO ADDRESS REFURBISHMENT REQUIRED TO MUGA

There had been a good response to the questionnaires regarding the proposed refurbishment of the MUGA. There were 44 responses supporting the council's proposals to refurbish the MUGA area using parish council reserves. Other avenues would be pursued for grant funding.

The Parish Council has **donated coronation mugs** to the Children at Donington on Bain Primary School and Pre School.

Asterby Past

I fell heir to some wonderful history of the Asterby Area ... written by the Revd. James Day in 1975 supplied by Barry Filey.

Read on dear reader.

Records of 1856 showed a curious situation at Stenigot (population 92) the Rector, the Revd. R.P Alington lived at Swinhope, Nr Binbrook and the services were taken by Revd. J.S. Scholfield of Goulceby Vicarage. The Revd. E. Richardson, the Vicar of Market Stainton was also Vicar of Holy Trinity, Louth and the Curate of Market Stainton, the Revd. G.J. Garton lived at Stenigot and rode his horse up Sandy Lane each Sunday to Stainton.

Market Stainton had a population of 142. In the early days they had a weekly market and an annual horse fair. The market ceased but the fair was put up for sale and the rights sold to Horncastle for £200. It became one of the largest horse fairs in the world, with thousands of horses and dealers from all over the country and from America. In Horncastle there were 13 brewers, 20 inns and taverns, 24 beer houses so it must have been an important center, apart from markets and fairs.

The Hangman lived at Horncastle but he married a girl from Goulceby. It is said that he never told her that he was the Hangman and when he went to Lincoln on business, he took some horse halters with him, and when he was at home he was a boot and shoe maker. The old shoe repairer in Horncastle told me about this when we first came to Horncastle. By a strange coincidence, almost to the day a hundred years after his banns were called in Goulceby Church, Revd. L Day called them of a man called Marwood, and there is no other record of the name.

The 'calling of banns' was an old-fashioned North Lincolnshire expression for the correct word of 'publishing banns'.

God's Acre

Donington on Bain - 2023

Spring has Sprung.

Primroses, violets, cowslips, forget-me-nots, lungwort, white nettle, celandines are all making a rainbow in the God's Acre, the wildlife area of St. Andrew's Church in Donington on Bain.

Come and spot what is growing - with more to follow as the seasons unfold.

Sit on the bench and watch the bees: honey, bumbles and solitary all busy feeding and pollinating.

Watch out for shiny beetles too. Our bug house is ready for a revamp, do we have any volunteers?

Listen to the wren and the robin leading the Springsong serenade as yellow brimstones dash past on their hunt for nectar.

Calling all who love Nature !

We need your help on Saturday 3rd June from 12noon to 3pm to help identify endangered species of wildlife in the churchyard as part of a national survey.

There are Apps, books and people to help with identification so come and explore the churchyard and help list flowers, plants, grasses, trees, ferns, mosses, lichens, insects, spiders, amphibians, reptiles, mammals and birds.
Come along and see what you can find and learn about.

Why not bring a picnic? Remember we have 2 shops, a food stall and a pub in the village.

*Help please - we need a map of the churchyard on which to mark our discoveries - can you create one for us ?

In memory of Dylan Jones

Earlier in the year Scamblesby School were able to support a sponsored walk in memory of Dylan.

We have been really moved and inspired by the bravery of **Dylan Jones**, an ex-pupil of Scamblesby CE Primary School and subsequently one of our JB Sports Coaches, who tragically passed away in the summer following a two year battle against cancer. We wanted to honour his memory by raising money to help the Teenage Cancer Trust with their essential and tireless work into finding a cure for cancer and their support for patients and their families.

Dylan's early childhood was based in Stalybridge near Manchester, and we thought it was fitting that we recognised his proud Mancunian roots, which gave us the idea of 'walking' from his first school, Arlies Primary School, across the country to Scamblesby – 115 miles. All of our children and staff will be contributing towards the 115 mile total by walking laps of our school field, with 11 laps equalling 1 mile.

The whole school community of children, staff, governors and parents are proud to come together to raise money for such a worthy cause, and to make sure that Dylan's courage, optimism and strength will never be forgotten.

Mr Charlie Luff, senior teacher.

Asterby and Goulceby Parish Council

Notes of the Asterby and Goulceby Parish Council Meeting

20th March 2023

Chair: Cllr Mold (JM)

Present: Councillors: Maplethorpe (BM); Croft (JC)

Absent: Cllr Wardle

Clerk: M Moss (MM)

3 Members of the public

After the opening of the meeting, the councillors retired to closed session to agree the appointment of the new Parish clerk. It was agreed that Diane De Halle should be appointed with a start date of April 1st 2023.

District Councillor Andrews was present at the meeting. His report included:

1. ELDC have now located to new premises in Horncastle and the old buildings at Manby have been sold.
2. ELDC have funds available for residents struggling with energy bills. Details are available on the ELDC website.
3. The Arts Council have given ELDC £5m to improve the Embassy and extend the pier in Skegness.

LCC have advised that the Horncastle Road will be closed from March to August for extensive repairs.

It was reported that the representative from the Chalk Stream Project visited Goulceby, inspected the banks and advised that the water is running clear and another community event would not be warranted at the moment.

Cllr Mold has looked into the possibility of a Village Archive but the costs to set it up and to maintain it would be prohibitive. Also the funds offered by the Gala Committee which prompted this discussion have now been donated to the Goulceby Church fabric fund.

It has been noted that the notice board at Asterby End has been vandalised. The Perspex has been scratched and will need replacing. The damage has been reported to the insurance company and a supplier to be contacted for a quote for repairs.

Thanks were extended to the retiring clerk Michelle Moss for all the hard work she has done to support the Councillors over the years.

Next meeting will be the Annual Parish Meeting followed by a Parish Council meeting. The date set is the 18th May 7.30 pm at the 3 Horseshoes.

Treasurer: Andrew Steer

Other committee members are Barbara Mohan, Richard Wright, Kevin Wallis, Cilla Smith, Doug Taylor and Tracy Burnham.

We have had a successful year having held various events with the Jubilee Tea, an excellent cake and crafts afternoon and our superb race night which finally went ahead after a few false starts !

The hall is hired out for regular meetings and activities; Stay and Play, Yoga, Band Practice, Whist and Parish Council meetings. We have also held monthly coffee mornings, craft 'n' chats and 'Let's Go LEGO' play sessions.

The hall has been transformed this year by installing new windows, a modern cooker, and a re-tarmaced pathway and fitted security lighting. There is also a display of village memorabilia on the hall walls.

The committee are always happy to welcome anyone who would like to help or join the committee, you don't have to live in the village. We have meetings when necessary and talk to each other via email with any concerns.

Prayer Circle

For many years now the ministry and concerns of our Parish have been supported, anonymously, in prayer by a small group of people making up the Parish Prayer Circle. As the needs, both of the Church and World increase, the value and importance of this Ministry of Prayer also increases and we are looking for others to join us in prayer during these troubled and worrying times.

If you think you would like to be part of our Prayer Circle and would like to find out more, please give me a ring and I'll put you in the picture.

In the meantime, if you would like a friend, or a particular situation, to be remembered by our Prayer Circle, do please contact **Sarah 01507 343270** or me **Ann on 01507 313792**
